LEEDS

City of Leeds

Leeds is an exciting, cosmopolitan and affordable city in the heart of the UK. Leeds offers:

- A population of approximately 750,000
- Good value for money
- Superb transport links
- History and natural beauty on the doorstep
- Excellent shopping and leisure activities

The University of Leeds

The University has a single campus on the edge of the city centre. The University of Leeds is one of Britain's top universities. It has been a centre for outstanding research and excellence in teaching since 1904. The University is ranked 14th in the UK (RAE 2008) for its research and is a member of the Russell Group, representing Britain's top research-led universities.

Each year over 5,000 international students come to the University of Leeds, representing over 100 countries. This includes approximately 500 Chinese students.

For more information about the University of Leeds please visit the website at www.leeds.ac.uk

Specific information about course content can be found at www.leeds.ac.uk/postgraduate

Special Postgraduate Entry Scheme

The 10 week Pre-Masters Programme in Shanghai

This is an English Language and Study Skills pre-sessional programme designed to prepare students for their Masters study at the University of Leeds. The programme has been developed by the University of Leeds Language Centre and it is directed by a member of the Language Centre staff.

Aims

- Develop the language and study skills needed for effective participation in a Masters degree.
- Familiarise participants with the teaching and studying methodology commonly employed on UK Masters degrees.

Skills

The programme focuses on academic skills such as:

- Oral presentations
- Seminar skills
- Academic writing
- Listening to lectures
- General language skills including: speaking, pronunciation and vocabulary

After successful completion of the Pre-Masters programme in Shanghai, students will transfer to the University of Leeds to start their postgraduate studies.

SHANGHAI

Shanghai University – the ideal location

Shanghai University is the largest higher education institution in Shanghai, split over three beautiful campuses. Students on the Pre-Masters will be based at the green and pleasant Yanchang campus, close to the city centre and convenient for transport connections.

Shanghai University has:

- Over 43,000 full-time students
- 23 different colleges
- Three extensive campuses
- 2,500 faculty members
- Ten academics of the Chinese Academy of Science or Chinese Academy of Engineering
